

IDLE MONEY

Money often lies idle awaiting opportunities for investment; but these opportunities do not come every week, month, or even year. In the meantime, this money should be earning something; and it can, if you place it in this bank.

Ex-Pugilist Tom Sharkey has been spending a few weeks—but very few dollars, for I know Tom—in Paris. And Paris still lives. Truth has many mysteries. Tom called on Count Boni de Castellane, and Boni, probably fearing his rival in the wine business, sent word that he was not in. So they both missed seeing each other, and they were both lucky.

Tom "side stepped" the gay life. Evidently there was no money in it for him. He visited the art galleries.

He called on Count Boni de Castellane

EPISODES DURING TOM SHARKEY'S STAY IN PARIS

but he did not go either to the zoo or to the museum, if Paris has either, FOR IF HE HAD THE MANAGERS WOULD NOT HAVE ALLOWED HIM TO ESCAPE.

THE BREATH OF LIFE.

It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs means powerful creatures. How to keep the breathing organs right should be man's chief study. Like thousands of others, Mrs. Ora A. Stephens, of Port Williams, O., has learned how to do this. She writes: "Three bottles of Dr. King's New Discovery stopped my cough of two years and cured me of what my friends thought consumption. O, it's grand, for throat and lung troubles." Guaranteed by Barclay & Groover, druggists. Price 50c and \$1.00. Trial bottle free.
